COVID-SECURE DESK SHIELDS

Get your employees back in the office.

With the global shortage and high cost of Perspex®, we had to find another solution to help get people back to work. To achieve this, we have designed and built a durable popup desk screen, complete with windows, to provide protection for people working in an office environment.

Key Features

- Cost-effective; over 60% cheaper than Perspex® screens.
- Portable, lightweight and easy to install.
- Supplied flat-packed and assembled in seconds.
- No holes or desk securing required.
- Incorporates multiple large, clear windows.
- A range of sizes to fit standard desks.
- Cable / monitor arm feed for tidiness and safety.
- Research shows that COVID-19 cannot survive on cardboard surround.
- Medical grade PET windows can be cleaned and sterilised.
- Designed and manufactured in the UK.
- Fully recyclable.
- Fast UK delivery.

Technical Specifications

Sizes:

1600w x 800d x 575h mm

1400w x 800d x 575h mm

1200w x 800d x 575h mm
